

The Gruffalo

One day there was a large brown creature called the Gruffalo and he lived in the forest. He lived with his friend Mouse. The Gruffalo loved living in the forest and he took Mouse everywhere. One afternoon, the Gruffalo went to collect Mouse from his tree top house.

When he arrived, the Gruffalo was sad because he could not find Mouse. He was lost! The Gruffalo looked under the bed, he looked in the cupboards and he looked in the highest of branches. Where was little Mouse?

The next day, the Gruffalo returned to the tree top house. He heard someone crying. Where was it coming from? The Gruffalo went to look in the dark bushes. He spotted a mean looking snake in his log pile house! Suddenly, he saw Mouse stuck in a log pile house but it was not too late! Snake kindly let Mouse go back to the Gruffalo and everyone was happy.
