	Year 4 - Home learning Support	Maths Club Subject Expertise Videos - Term 3

## Year 1 - Home learning Support

LOGIN

### Year 1

This product has been set up to provide the CanDoMaths Club Members with a way to share the Subject Expertise videos with parents to support them with the remote learning during Lockdown.

These videos were not designed to be shown as a replacement for teaching, but to provide support for those teaching the unit with the conceptual understanding. If you think these will be useful to share with Parents, please contact [emma@buzzardpublishing.com](mailto:emma@buzzardpublishing.com) and she will forward you the specific link, which will give them access to the online videos.

*Please note* - you do not need to 'buy' these resources through the website, just email [emma@buzzardpublishing.com](mailto:emma@buzzardpublishing.com) as stated above.
