

Friday 12th February 2021

I can count forward and backwards to 100

Touch counting

Look at the hundred square below. Can you show your adults any patterns that you notice?

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Remember

When I count forwards, the numbers get larger.

Remember

When I count backwards, the numbers get smaller.

With your child, please could you help them practise counting to and from the numbers below, independently? They can use the hundred square to help them. Encourage them to follow with their finger as they count. This practise could be done for a few minutes daily to support their maths learning.

Forwards

- Start from 55 and finish at 61
- Start from 81 and finish at 100
- Start from 11 and finish at 21

Backwards

- Start from 70 and finish at 60
- Start from 95 and finish at 85
- Start from 22 and finish at 10

Counting forwards to 100

Watch this video. Are children able to count along with the video? Children can practise counting along with the song: <https://www.youtube.com/watch?v=bGetqbaDVaA>

Counting backwards from 100

Watch this video. Are children able to count along with the video? Children can practise counting along with the song: <https://www.youtube.com/watch?v=ucRuGbjurGY>

Friday 12th February 2021

I can count forward and backwards to 100

Look at the sequences below. Use your 100 square to help you complete them:

76	77	78	
----	----	----	--

50	51	52	
----	----	----	--

17	16	15	
----	----	----	--

74	73	72	
----	----	----	--

3	4	5	
---	---	---	--

60	61	62	
----	----	----	--

64	63	62	
----	----	----	--

40	39	38	
----	----	----	--

19	20	21	
----	----	----	--

69	70	71	
----	----	----	--

42	41	40	
----	----	----	--

93	92	91	
----	----	----	--

55	56	57	
----	----	----	--

20	21	22	
----	----	----	--

92	91	90	
----	----	----	--

59	58	57	
----	----	----	--

52	53	54	
----	----	----	--

25	26	27	
----	----	----	--

36	35	34	
----	----	----	--

16	15	14	
----	----	----	--

Think about it

Are the sequences counting forwards or backwards?
