

Longest Pencil Challenge

The picture above shows coloured pencils of different lengths.

1. Which is the shortest pencil?
2. Which is the longest pencil?
3. List the pencils in order from shortest to longest.
4. How long is the purple pencil?
5. What is the difference in length between the blue pencil and the green pencil?
6. Pick three pencils. What is their total length?
7. What different lengths can you make with two pencils?
What about three pencils?
