

Year 1 DT Vocabulary

cut spread

stir mix

hygiene healthy

fruit vegetable

energy measure

ingredients spoon

knife farm

cup unhealthy

felt

running stitch

needle

thread

fabric

pattern

sewing

stick

material

decorate

levers sliders

push pull

left right

up down

tool scissors

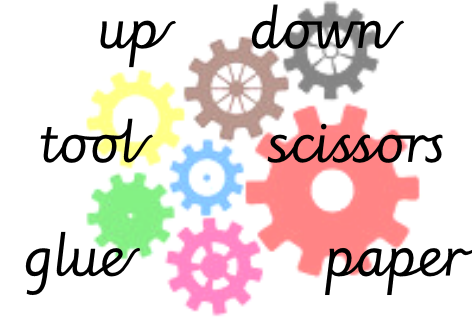

glue paper

split-pin fasten

design make

plan evaluate

ideas safely

Year 2 DT Vocabulary

wheel axle

stiffer

pihots joint

doweling vehicle

stronger

materials

hacksaw mark

more stable

movement

bench hook

designer

purpose products

measure accurate

building

sideways

features wood

monument

upwards

construction

improve

downwards

tool

reinforce

lateral movement

Year 4 DT Vocabulary

circuit bulb

bulb holder

buzzer current

simple circuit

complete broken

pressure pad

electricity

crocodile clips

motor

savoury sweet

preserve

additives

fibre

hydrated

blending

juicing

combine

seasonality

shaft linkages

mechanism tension

joiners release

projection

groove

perpendicular

elastic band

Year 5 DT Vocabulary

syringe

pneumatics

pressure

inflate

deflate

prototype

cross-bracing

framework

modifying

reinforce

adaptations

triangulation

foundations

top-heavy

weight distribution

waterproofing

capsizing

cross stitch

back stitch

embroider

applique

cotton

embroidery thread

unpick

upcycle

sewing machine

Year 6 DT Vocabulary

grown

reared cultural

caught and processed

traditional affordable

social influences

veganism vegetarian

nutrition calories

ethical sources

fairtrade

responsibly sourced

timber beam

symmetry

overlap

scaffold

inverted weight

distribution

switches
