

Try the following activities to help your child with reading:

- 📖 Ensure your child is exposed to a wide range of reading materials, e.g. letters, recipes, magazines, puzzle books etc.
- 📖 Encourage your child to read for different purposes, e.g. for pleasure, to find information for homework etc.
- 📖 Read and discuss interesting articles from newspapers.
- 📖 Research information with your child linked with topics at school, e.g. by using the Internet or library books etc.
- 📖 Read TV guides, menus and signs together.
- 📖 Read and follow instructions for games played.
- 📖 Discuss your child's reading book with them. Ask them to comment on what they have enjoyed or disliked by making reference to the text to support their opinions.
- 📖 Encourage your child to tackle new words independently and to check pronunciation and meaning, either with you or by using a dictionary.
- 📖 Through discussion together, continue to foster a love for reading by developing their own preferences and choice.
- 📖 Provide a quiet area at home for your child to read.

Read Together

Reading at home both on their own and with you, continues to be an invaluable part of the learning and development process for children in Year 5. Therefore, take an interest in what your child is reading and spend 10 minutes sharing a variety of reading matter. Share a book together and take it in turns to read a page each. Every day would be ideal but definitely 2-3 times every week is necessary to support your child's reading at home.

Our aims at Holy Rood Catholic Primary School are:

- 📖 To inspire a love for and enjoyment of reading
- 📖 To build on children's previous experiences of reading, giving them vital tools for the future
- 📖 To encourage children to read and explore a range of texts
- 📖 To develop children's awareness of the importance of reading
